

#ExcitingBicol

TRAVEL ADVISORY

*Summer time is on!
Come and explore the real gem in the Pacific,
the Exciting Bicol Region!*

Spend your summer here in Bicol. We have white and black-sand beaches and islands that are even more immaculate, refreshing and mystifying offered by all six provinces for sun and beach pleasure complemented by inland resorts for cooler ambiance. Try the region's cluster of river cruise tourism systems inclusive of the rivers of the four towns of Sorsogon province named DonPicaso-Donsol, Pilar, Castilla and Sorsogon - juxtaposed with the latest offering of Camaligan River Park in farther north, Camaligab, Camarines Sur, each providing unique cruising experience topped with delectable local and fusion cuisines.

Being an archipelago in its own right, Bicol offers all sorts of onshore and offshore activities! Blessed with rich marine biodiversity shared with the neighboring Central Philippines, the region is teeming with wonderful sites for snorkeling and leisure diving and it's a seafood culinary hub of the country as well.

With more than 400 years of Christian history, the region is host to beautiful historic churches perfect for the Catholic Lenten tradition of Visita Iglesia especially in Naga City as well as religious sites bedecked with creative masterpieces of life-size devotional statues depicting the Passion of Jesus Christ like the Kawa-Kawa Hill and Nature Park in Ligao City; the Inorogan Shrine of Nuestra Señora delas Angustias, Iriga City; and the Shrine of the Holy Innocents, Virac Catanduanes, among others.

With a rich history and cultural heritage and unexplored island beaches and other natural wonders, there are a lot more that tourists can discover in this Philippine peninsula, which are better relished than described.

For smooth, hassle-free, safe, secured, and enjoyable travel experience this summer, please engage only with the DOT-accredited tour operators, tour guides, tourist transport, accommodation and other tourism establishments. For relevant information, please visit the Standards and Accreditation Section, Department of Tourism-Regional Office at the Regional Government Center, Rawis, Legazpi City, or call (052) 742-5004 or email bicol.dot@gmail.com
